INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-711 (Final)]

Oil Country Tubular Goods (OCTG) From Argentina

AGENCY: United States International Trade Commission.

ACTION: Rescission of institution of final investigation.

SUMMARY: On March 8, 1995, the Commission received a letter from the U.S. Department of Commerce (Commerce) stating that it had amended its preliminary determination on OCTG from Argentina to correct for a ministerial error. Pursuant to this correction, Commerce has made a preliminary determination that OCTG from Argentina are not being sold at less than fair value within the meaning of the Tariff Act of 1930. Accordingly, the Commission rescinds its institution of a final investigation of OCTG from Argentina. However, because of the Commission's ongoing investigations on OCTG from Austria, Italy, Japan, and Korea, and because imports of OCTG from Argentina remain subject to investigation at Commerce, the Commission will continue its investigative activities, pending a final determination by Commerce.

EFFECTIVE DATE: March 8, 1995.

FOR FURTHER INFORMATION CONTACT: Douglas Corkran (202-205-3177), Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. Hearing-impaired individuals are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. Information can also be obtained by calling the Office of Investigations' remote bulletin board system for personal computers at 202-205-1895 (N,8,1).

Authority: The institution of this investigation is being rescinded under authority of the Tariff Act of 1930, title VII.

Issued: March 22, 1995.

By order of the Commission.

Donna R. Koehnke,
Secretary.

Temporary Closing of Reference Service on Certain Textual Records

AGENCY: National Archives and Records Administration (NARA).

ACTION: Notice of closure and reopening of reference services for certain textual records holdings in the National Archives related to the move to the National Archives at College Park (Archives II) and the relocation of some records to the National Archives Building.

SUMMARY: This notice provides information about the period of time that reference service on certain textual records holdings of the National Archives will be unavailable due to the move of those holdings from their current locations in the National Archives Building in Washington, DC, and the Washington National Records Center in Suitland, Maryland, to new locations in either the new Archives II facility in College Park, Maryland, or the National Archives Building in Washington, DC. Additional notices will be published by NARA relating to the move of other holdings to Archives II.

During the periods shown for the record groups listed on the schedule at the end of this notice, the National Archives will be unable to provide records for research, or process requests for reproductions (fee orders) or requests for information from these records. Requests received during the periods of suspended service will be returned for resubmission after the date indicated for reopening the records for reference service.
